

**During Camps each day:**

- Take attendance using the attendance sheet in your folder (drivers should have some extra copies too).
- Be outside during the camp. Talk to other parents and invite them to Summerfest.
- Take candid photos at camp with your own camera / phone. Please post any pictures into the Camp 75 Host Home and Driver Facebook page.

**After Camps each day:**

- On Thursday the driver will pick up the host home signs and attendance sheets and return them to Northpoint.

**Helpful Hints/Suggestions:**

- Have extra chairs out for parents who decide to stay for Camp 75.
- Wednesday is Wet 'N Wild Wednesday. Have some extra towels handy in case kids forget one. Anything that involves water (water balloons, sponges, empty bottles, water guns) would be a great addition to the camp.
- Have a rain plan. Sometimes it does rain during the week of Camp 75. Making some space, or having an idea of where you could go, in the garage or inside would be good to have beforehand!
- If you have any issues during the week of Camp 75, (car trouble, emergency, sick team member, etc.) call Carson Robertson ASAP.

We are so excited that you have partnered with us by choosing to be a host home! We are very thankful for you and are excited to have you as part of the Camp 75 experience!
